Description

Great looking Oushak carpet from Western Turkey circa 1900. Has fairly heavy wear and the slightly uneven fade on one side but that is not as pronounced as the pictures make it. Such pretty colours especially with the light border in an off white/ milky tone. Nicely warmed up with a cherry red. Has been lightly cleaned and any holes fixed or closed. Priced according to condition and not beauty! 10'0" x 13'6"
