Dimensions

Height = 94 cm (37.0")

Width = 58 cm (22.8")

Depth = 75 cm (29.5")

Description

A 19th century George IV mahogany library bergère armchair in the manner of Gillows. With a caned back and seat, curved arms and turned front and splayed back legs on its original castors. Finished with a newly made Pierre Frey cushion in a bold and colourful geometric pattern. Hobo loves because: I always like taking something traditional and making it feel slightly less serious. A classic library chair with a little more personality.
