Item Reference: SA1213344

Date of manufacture: 1910

Dimensions

Height = 92 cm (36.2")

Width = 70 cm (27.6")

Description

An unusual carved wood mirror dating from the early part of the 20th century. A deeply carved frame with great sculptural shape. Floral motifs and a repetitive circular pattern to the base. Hobo loves because: absolutely love the shape to it, the scrolling edge and of course the flowers. It was one of those pieces that I've never seen anything comparable to, but was instantly drawn to it.
