Description

A handsome and well-matched pair of mid-Victorian bedside chests of drawers, crafted in richly figured burl walnut. Each chest features four graduated drawers, showcasing striking natural grain patterns with warm, honeyed tones and a lustrous polished finish. The drawers are fitted with turned wooden knob handles and retain their original key escutcheons, adding to their period charm. The tops have gently moulded edges, sitting above clean-lined sides and a plinth base, giving the pieces a balanced and elegant proportion. These chests exemplify the quality and craftsmanship of the Victorian era, combining practicality with decorative appeal. Ideal as bedside tables or as accent pieces, they offer ample storage while bringing character and warmth to both traditional and contemporary interiors. Condition is very good for age, with minor signs of wear consistent with careful use over time. A fine and increasingly sought-after pair.
