| USD \$1,500 | EUR 1,284

Item Reference: SA1213642

Date of manufacture: 19th Century

Dimensions

Height = 196 cm (77.2")

Width = 113 cm (44.5")

Description

The cotton printed in blue with a scene of a naval battle and an angler above another of a fortified eastern harbour with turbaned figures, and stevedores moving victuals, barrels and cannon. Some of the groups of figures, architectural elements and vessels are adapted from sections of the paintings that make up Claude-Joseph Vernet's series of 'Vues des ports de France'. In the manner of late 18th century French commemorative toiles. Bordered with galon and backed with cotton.

Internal Ref: 153
