Description

I have entitled this as a sighthound, as I think he looks more like a Borzoi than a greyhound or deerhound! But the sculptors interpretation is clearly one of a recumbent and extremely elegant dog/hound. Clearly signed 'Pierre Mene 1810-1879'. The bronze is attached to a shaped marble platform. And a rather special detail shows one of the dog's paws actually extending beyond the bronze base. This has a wonderful patina and the hound has clearly been a much loved piece of art, as his head has a mellow colour which can only be a result of frequent contact... so he must have had frequent pats to his head. Overall dimensions 16.5 x 9 x 5
