Description

This is a wonderfully rare antique solid sterling silver pin cushion - a rather menacing, grinning individual. As he is without a tail, he is either an ape or a Barbary Macaque (a tail-less monkey). He carries Import marks for Chester 1909 and sports his original cushion, now worn and quite solid. He is fabulously tactile, quite chunky for an Edwardian pin cushion. Dimensions: Height: 4cm Width: 3cm Height: 1.5cm Weight: 28g The pound coin is for size reference. Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
