Description

A very well made antique 19th century Victorian carved oak sideboard of fine quality, showcasing exceptional craftsmanship and highly detailed carving throughout. This is a beautifully decorative and substantial piece, full of character and traditional Victorian charm. The upper section is elegantly designed with a bevel-edged mirror, surrounded by intricate carvings and supported by finely detailed pillar supports, creating an impressive focal point. Below this are two central drawers fitted with wooden knob handles, offering practical storage. The base section features a two-door cupboard with a single internal shelf, providing additional useful storage space. The piece displays a gorgeous oak grain and rich colour throughout, further enhancing its ornate design. It comes apart into two sections for ease of transport and installation. A very desirable example of a nice size, presented in good condition, and a beautiful statement piece that has to be seen in person to be fully appreciated. A perfect addition to any home.
