Description

A fine Antique 20th Century Edwardian display cabinet in oak, very well made and of good quality. Featuring a beautifully glazed upper section with a single interior shelf, this elegant piece offers both display and storage in a classic and practical design. To the centre are two drawers fitted with their original brass handles and fittings, above a blind door cupboard to the base which also contains a single shelf, providing useful additional storage. The cabinet stands on attractive turned legs united by a trestle-type base, adding character and stability to the piece. The oak displays gorgeous grain and rich colour throughout, further enhancing its warm and timeless appearance. Presented in good condition, this is a highly desirable Edwardian example with great decorative appeal. A beautiful and versatile piece, perfect addition to any home. Product Reference : AF - 5653
