Description

A fine Antique 19th Century Victorian chest of drawers in ash, very well made and of excellent quality. Traditionally arranged with five drawers in total, configured as two smaller drawers over three graduated larger drawers, all fitted with their original decorative brass handles and fittings. The piece displays beautiful figuring throughout, showcasing the natural character and charm of the ash wood. It stands on classic bracket feet and benefits from a solid, well-constructed form typical of the Victorian period. Presented in great condition, this is a highly desirable example with strong presence and timeless appeal. A superb and practical piece, and one that truly has to be seen in person to be fully appreciated. Perfect addition to any home. Product Reference : AF - 5659
