Description

This is an unusually large antique sterling silver pin cushion. Fashioned as a railway lamp, it is clearly hallmarked for Chester 1914 with the maker's mark for Joseph & Richard Griffin. The base is filled to add stability and neatly finished with leather. The top comes off to reveal a large and useful void and the 'lamp' at the front is actually a mirror. The lid fits snugly. There are a couple of small knocks around the rim but nothing to worry about. A novelty! Dimensions: Height: 9cm Width: 6cm Depth: 5cm. The pound coin is for size reference. Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
