Description

A delightful oak key cabinet in the Arts and Crafts style that dates to around 1900. In great original condition with a nice light brown waxed finish, with brass hinge plates and a brass escutcheon with a working lock and key. Has an attractive upstand with curved sides. It would look good either as a table top or a hanging cabinet.....it has 3 hooks for keys but more could be added if required and a shelf for other items. Measures 11 inches wide, 17 inches high and 8 inches deep. A really nice, practical item that could grace a period or contemporary setting.
