Description

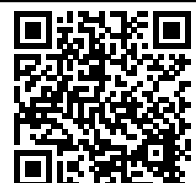

Beautiful Edwardian 9ct Gold watch fob with bloodstone. Wonderful good sized fob which could be used as a pendant. The fob is set with an oval bloodstone face measuring 16mm x 10mm. The stones are set into 9ct rose gold mount shaped in a caged dome with what appears to be the silhouette of a figure. The gold is hallmarked on the border for 9ct gold and the year 1901 and Birmingham as well as a makers stamp. The fob is in very good condition with some light wear to the gold in accordance with its age. The fob measures 30mm high, 18mm wide and 12mm deep. Weighs 4.5g. Photographs are ZOOMED with x5 magnification. SO Please Check Sizes And Weights before purchasing as JEWELLERY IMAGES ARE ENLARGED!! Dark areas are reflections on the gold. BUY WITH CONFIDENCE: I try to accurately describe my items. I never knowingly mis-sell any item, so please read the description carefully. All items are checked by a professional Jeweller for authenticity however no certificates are provided. If for any reason the item is found not to be genuine or as described a full refund will be given. So please buy with confidence. Your jewellery will come in a modern gift box and not necessarily...
