Description

A lovely example of an early Victorian red leather deep buttoned backed slipper chair. The chair is made with a beautiful scrolled rosewood frame, raised on turned legs with ceramic castors. This is an early example, later reupholstered in the early 20th century and finished in a wonderful red leather. There are signs of age, various small knocks, scratches, and marks as can be expected for its age, but nothing detrimental. Extremely comfortable and is ready for use. Seat height is 35cm.
