Description

A wonderful antique Edwardian mahogany side table. This was made in England, it dates from around 1900-1910 period. It is a lovely size and is full of character. The mahogany has a gorgeous colour tone and a lovely patina, with some small surface marks here and there beneath the polish. There is a single drawer with two brass ring pull handles, this has a nicely polished back, so it can be used as a free standing item. We have had this re-polished and revived, it is in excellent overall condition, while retaining plenty of original patina.
