Description

This is a wonderful rarity - an antique sterling silver spider pin cushion. Hallmarked on the side of the body for Birmingham 1909 it has no maker's mark. The silver is in excellent condition although the legs, as can be seen, are slightly wonky. The cushion has been replaced, not really a surprise given its age, and is a little clumsy, but certainly not the worst I have seen. He's quite sweet and will make an amazing addition to any collection. Dimensions: Length: 4.5cm Width: 7.5cm Height: 4cm. The pound coin is for size reference. Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
