Description

A beautifully crafted Chippendale revival mahogany display cabinet, offered in excellent antique condition and retaining its original working lock and key. Intricate blind fretwork frames the glazed doors, while the cabinet stands proudly on carved legs ending in expressive lion paw feet. Light pours through the astragal glazed doors and sides, illuminating the interior lined in soft cream water silk fabric, a luxurious backdrop to the mahogany shelves. As expected with an antique of this age, there are minor marks to the lining, easily improved if wished, though they lend a gentle authenticity. A richly toned, elegant cabinet with real presence and charm. Internal reference : SAI3629
