Description

A wonderful antique inlaid mahogany chest of drawers in the Georgian style. This was made in England, it dates from around the 1920's period. This is one of a matched pair that we have, they are identical in shape and size, with slightly different inlaid designs and handles. The price shown is for one chest. It is of very fine quality, it is a very useful smallish size and has a beautiful design. It sits on splayed bracket feet, has lovely brass handles and gorgeous inlaid satin wood around the cross banded top and drawer fronts. The drawers all run smoothly, this has lots of storage space. The mahogany has an absolutely gorgeous colour tone and patina. We have recently had this re-polished, the condition is excellent for its age. Width – 25 inches , 64 cm Depth – 15 inches , 38 cm Height – 29 inches , 74 cm
