Description

A French Napoleon III style walnut & onyx 2 tier tea table with bronze ormolu mounts and handles. c1900
 Sadly the onyx top has been damaged at sometime in its life, hence the price. These tables usually fetch inbetween £1200-£1450 The rest of the table is in stunning condition. The top is fine to use. Someone in the past has repaired it and the cracks do look like veins you would normally get in marble or onyx. Lovely to use for its intended purpose or as a display table for your favourite trinkets H 88 x 84cm W x 49 cm D
