Description

A good example of a sterling silver Christening set, consisting of spoon and fork, in its original box. It has never been engraved and is a good quality set weighing approximately 45g. Both pieces are clearly hallmarked for Birmingham, 1929 and the maker William Suckling. They are in very good condition for its age. There are some faint surface marks but no major damages and they have been lightly cleaned and polished. The set comes in its original silk and velvet lined box. The box is in good condition and the interior is very clean and tidy. There are a few minor marks and scuffs around the outside edges but nothing detrimental. Approximate Measurements : Length of Spoon : 5 1/4" (13.5cm) Box : 7" (18cm) x 4" (10cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
