Description

A striking pair of intricately carved hardwood armchairs. Richly toned and beautifully detailed, each chair features deep floral and foliate carving across the back, apron and legs, giving them a wonderfully sculptural presence. The timber has a warm, even patina, with light age-related imperfections that enhance their character. Generous proportions and shaped arms make them both decorative and comfortable — a distinctive pair that brings craftsmanship and charm to any interior. Internal reference : SAI2213
