Description

A fine quality, rare Victorian silver pen and ruler wipe, modelled as a traditional boot scraper with hinged handles to either side. Set on its original leather base. Manufactured by Sampson Mordan & Co., the well known masters of high quality small Victorian collectable silver pieces. Hallmarked for London 1898 and lion passant marks to the handles also. A larger example than many, it measures 8cm (3 1/8") wide and 2.5cm (1") high. In excellent condition with no damage, or repair. Minor rubbing to the edge of the hallmarks. The leather base shows minor handling wear but the bristles remain in excellent order.
