Description

This antique three-light Italian brass and crystal chandelier from Milan is a masterful blend of rich metalwork and light-refracting glass. Characterised by graceful scrolling arms and fine craftsmanship, this fixture transforms spaces with warm illumination and cascading prisms. Three upward-facing bulbs rest in delicate crystal bobèche (the drip pans at the base of the candles). Constructed from warm cast brass, this antique Milanese piece features beautifully intricate acanthus leaf motifs and has a great antique patina. A clear bottom ball finishes off this fabulous chandelier. C1920's Restored, wired, pat tested and ready to hang. Height 54cm x width 38cm, this is the height of the chandelier only without the chain and ceiling rose which comes with the chandelier and can be adjusted to individual requirements.
