Description

A charming antique early 20th century carved oak chest of drawers, very well made and of good quality throughout. This highly decorative piece features a beautifully carved top drawer above two larger drawers to the base, all fitted with their original handles and fittings, adding authenticity and period charm. The chest is richly carved throughout with excellent attention to detail, showcasing fine craftsmanship and a strong decorative presence. It stands on classic bracket feet and displays a gorgeous oak grain with a warm, rich colour that enhances its character. Well proportioned in a nice size and shape, this is a very unique and eye-catching example. Presented in good condition, it would make a perfect addition to any home. Product Reference : AF - 5565
