Description

This antique 20th-century small chest of drawers in mahogany is a beautifully crafted piece, showcasing excellent quality and traditional design throughout. Compact yet practical, the chest features three drawers in total, all retaining their original decorative handles and fittings, adding authenticity and charm to the piece. A particularly attractive feature is the beautifully shaped front, giving the chest an elegant and refined appearance. Raised on classic bracket feet, the piece has timeless proportions that suit both traditional and contemporary interiors alike. The mahogany displays gorgeous rich grain and warm colour throughout, enhancing the character and appeal of the chest. Its desirable smaller size makes it ideal for bedrooms, hallways, studies, or other areas where space may be limited without compromising on style or storage.
