Description

A lovely pair of antique Georgian style inlaid mahogany chests of drawers. They were made in England, they date from around the 1930's. The quality is superb, they have beautiful mahogany grain patterns and colour tones. The tops and drawer fronts have cross banded edges of contrasting satin wood. The drawers have fine quality brass handles, the chests stand on bracket feet and have plenty of storage space. They would be useful as large bedside chests or in various other settings around the home. We have had them recently re-polished, the condition is excellent for their age.
