Description

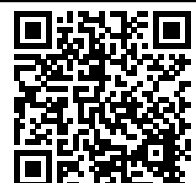

An Antique Edwardian Silver Plated Stand With Cut Glass Bowl And Cream Jug. The stand is formed as an oval tray on four small feet, with a central carry handle for easy serving. One insert is a small cut glass cream jug with a shaped pouring lip and a solid applied handle. The second insert is a low cut glass bowl, well suited to sugar, sweets, or small condiments. Both glass pieces show crisp geometric cutting, with panels of crosshatch and star motifs that catch the light attractively – circa 1905. * A classic cream-and-sugar pairing that looks equally at home in a period dining room or a modern kitchen. Perfect for British Strawberries in summer! Measurements: Height to handle: 6" (approx. 15cm) Width: 7" (approx. 18cm) Depth: 4" (approx. 10cm) Total weight: 925g In good condition – The silver plated stand shows only light surface wear consistent with age. There are no chips or cracks to the glass.
