

SA1215080

An Antique Sun Dial and Compass- lignum Vitae Case

Price

GBP 330

| USD \$450 | EUR 385

Item Reference: SA1215080

Date of manufacture: Georgian

Description

This early to mid 1800s sun dial and compass is housed in a lovely turned lignum vitae case. The domed lid unscrews to reveal a floating compass and sun dial encased in a dome, in the underside of the lid there is a paper label with instructions. There are similar examples in the British Maritime Museum. The case measures 5.2cm w.
