Item Reference: SA1215118

Date of manufacture: Victorian

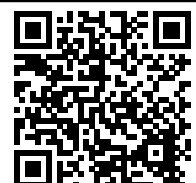

Description

Beautiful Antique Solid 9ct Gold gate link bracelet. Good antique gate link chain bracelet in wonderful coloured Antique yellow 9ct gold, the links are set in four long links and chainmail style smaller links. The longer links measure 15mm long and the smaller ones are 4mm. The width of the bracelet is 12mm at the widest point. The total length /circumference of the chain is 18cm approx. The chain features a lovely old 9ct antique heart shaped padlock. The padlock works well and appears to be a later replacement as its a slightly lighter gold to the chain. Simple and elegant and ready to wear. The chain is not hallmarked for gold but has been tested for 9ct gold. Very good condition with general wear in accordance with age and probably dates to the late Edwardian era. The bracelet weighs 12.8g Photographs are ZOOMED with x5 magnification. SO Please Check Sizes And Weights before purchasing as JEWELLERY IMAGES ARE ENLARGED!! Dark areas are reflections on the gold. BUY WITH CONFIDENCE: I try to accurately describe my items. I never knowingly mis-sell any item, so please read the description carefully. All items are checked by a professional Jeweller for authenticity ho...
