Description

This antique 20th-century Jacobean style dining table in oak is a beautifully crafted piece, showcasing excellent quality and traditional period-inspired design throughout. Very well made and sturdy in construction, the table is supported by four elegant turned legs united by a strong supporting stretcher, giving it both stability and classic character. Beautifully decorated with subtle carved detailing and immense attention to detail, the table reflects the timeless charm and craftsmanship associated with Jacobean style furniture. The oak displays gorgeous natural grain and rich warm colour throughout, further enhancing the beauty and appeal of the piece. Presented in good condition, this highly desirable dining table would make a wonderful centrepiece for any dining room or kitchen, perfectly suited to both traditional and contemporary interiors alike.
