Description

A large and impressive antique Regency style leather top mahogany coffee table. This was made in England, it dates from around the 1930's. It is of superb quality and is a great looking item, the large rectangular top has a beautiful inset leather surface with gold tooled edges. There is a single drawer on one side with brass handles and fine, hand cut dovetailed joints. It stands on an X frame base with a finely turned stretcher between the legs. We have had this recently re-polished, the condition is excellent for its age. Width – 48 cm , 122 cm Depth – 24 inches , 61 cm Height – 20.5 inches , 52 cm
