Description

A stunning antique Regency period rosewood sofa table. This was made in England, it dates from around the 1810-1820 period. It is of outstanding quality, the rosewood has gorgeous grain patterns and colour tones. It stands on finely detailed legs with platform feet and brass casters beneath. This table has two drawers at the front and two dummy drawers at the back, so it looks identical from both sides. The drawers have brass handles and fine, hand cut dovetailed joints. The two drop down leaves can be lifted to extend the surface area and they rest on out swinging supports. We have had this recently stripped and re-polished, the condition is superb for its age. Width – 35 inches , 90 cm Width open – 57 inches , 145 cm Depth – 28 inches , 71 cm Height – 31 inches , 79 cm
