Description

A lovely antique solid oak chest of drawers with a warm polished finish, attractive grain and classic turned wooden knobs. The chest has two short drawers over three long drawers, offering good practical storage for a bedroom, dressing room, hallway or living space. It has a simple traditional design with brass key escutcheons, a shaped lower apron and bracket-style feet. A solid, good quality piece with plenty of character and a timeless country house look. Condition Good antique condition with general age-related wear. There is wear to the top and drawer fronts, along with small marks and signs of use as expected with an antique piece. The drawers are solidly made and usable, with clean interiors showing general age-related wear. Approximate Dimensions Length: 106.5 cm Width: 49 cm Height: 105 cm Please be aware that this item does show signs of use, which is to be expected considering its age. These signs of wear add authenticity to the item. We recommend carefully studying the pictures as they form a significant part of the description. Thank you.
