Description

A charming late Victorian slipper chair / nursing chair retaining its original castors and elegant low proportions. Upholstered in a dusky-pink fabric with diamond pattern detail. The deeply buttoned back and profile give the chair excellent decorative appeal, while the low seat and compact footprint make it ideal as a bedroom chair, dressing room piece, or occasional chair. The upholstery shows sun fading consistent with age and use; the chair could equally be enjoyed in its present condition or reupholstered to suit a new interior scheme. Raised on turned front legs and splayed rear legs all with original castors. Condition: Good antique condition overall. Fabric is sun faded but clean and usable. Structurally sound with original castors present. Dimensions: Height: 83 cm Width: 58 cm Depth: 83 cm Seat height: approx. 35 cm A decorative and increasingly sought-after antique slipper chair with lovely proportions and authentic character.
