Description

Exquisite Antique Serpentine Burr Walnut Chest of Drawers | Bookmatched Masterpiece Rare Beauty Meets Grand Scale Very rarely do pieces of this exceptional quality and aesthetic grace reach the open market. This is a truly "one-of-a-kind" find: a substantial, antique serpentine-front chest of drawers that serves as a masterclass in traditional continental cabinetry and timber selection. The Details This chest is defined by its dramatic serpentine curve, a hallmark of high-end furniture design that adds movement and elegance to its impressive silhouette. Exquisite Timbers: The drawer fronts are veneered in the finest burr walnut, displaying a rich, swirling grain that only centuries-old timber can provide. The Top: Often overlooked in lesser pieces, the top of this chest is a work of art in itself. It features top-tier bookmatched burr walnut veneers, meticulously mirrored to create a symmetrical natural pattern, all framed by a delicate walnut cross-banding. Hardware & Finish: The drawers are adorned with intricate pierced fretwork brass handles that provide a stunning golden contrast to the deep honey tones of the walnut. Storage Layout: A practical and classic c...
