Description

Timeless Elegance: Antique Georgian Country Oak Chest of Drawers Bring a touch of 18th-century heritage into your home with this stunning Georgian Country Oak Chest of Drawers. A quintessential piece of British furniture history, this chest perfectly balances robust craftsmanship with a refined, stately silhouette. Radiant Golden Hue The standout feature of this piece is its remarkable rich golden patina. Unlike the darker, heavy finishes often found on antique oak, this chest glows with a warm, honeyed tone. Centuries of careful polishing have allowed the natural grain of the English oak to shine through, creating a luminous finish that brightens any room—from a sunlit bedroom to a cozy traditional hallway. Exceptional Condition & Original Details Maintained in fantastic condition, this chest has been cherished throughout its long life. It retains its structural integrity and smooth-sliding drawers, showcasing the superior joinery of the Georgian era. Most impressively, it comes complete with its original working key, a rare find that adds both security and a tangible connection to the past. Specifications Period: Georgian (18th Century) Material: Solid Country ...
