Description

A beautiful Victorian side table or writing table made from richly coloured mahogany, featuring two drawers, shaped and pierced legs united by a central stretcher, with decorative finials to each corner and to the centre of the legs. The drawer fronts are veneered in book-matched flame mahogany and retain their original turned wooden knobs... Condition: Overall this is in very good condition and has obviously been very well looked after throughout its life. The only notable flaws are a small patch (about the size of a penny) on the top where the finish has been damaged, and the castor is missing from the back of the right leg and has been replaced with a wooden block. Dimensions: Width - 112cm Depth - 52cm Height - 98.5cm Height to worktop - 73cm Mainland UK delivery (excluding the Scottish highlands) is included in the price - if you would like a quote for delivery elsewhere, or if you would like to collect the item yourself, please get in touch.
