Height = 18.5 cm (7.3")

Width = 13.5 cm (5.3")

Description

A matching pair of George V period silver photo frames with original oak backs, hallmarked Birmingham 1918. The solid silver faces with swept outer edges and lined inner edge; the tops of the frames with cushioned effect in the Art Nouveau style. The silver fronts mounted on solid oak backs with sturdy easel stands. Each frame bears the makers mark for Birmingham silversmiths Cadbury & Green, along with clear hallmarks. Both frames presented in good condition with a rich polish. Keep up to date via our Instagram channel - sturmansantiques. Each frame takes a photograph measuring 3" x 5".
