Description

A charming antique Georgian period oil painting of horses. This is English, we would date it from around the 1790-1810 period. It is a wonderful subject, and being extremely old shows various signs of historical wear and patina. Overall it presents very nicely, with no damage to the canvass. It has been mounted and framed in a later gilt wood frame. There appears to be some faded writing across the middle, possibly showing the horses names. Width – 37 inches , 94 cm Depth – 2.5 inches , 6 cm Height – 27 inches , 68 cm
