Description

This decorative figure group has been carved from a solid block of Chinese pale green semi hardstone. It has a naturalistic base with two doves standing below a flowering peony bush with an elaborate exotic pheasant standing in the top stems with its wings outspread. The figure group has its original carved and ornately pierced hardwood stand which has a neatly fitted recess which the carving sits in. The stand displays this decorative piece of Chinese art very nicely. Chinese circa 1930 Height 24cm x width 18cm x depth 6cm
