Description

Antique Oak Farmhouse Bench Hall Pew Settle Seat Rustic Circa 19th Century A beautiful antique oak farmhouse bench dating to the circa 19th century period. This impressive long bench features a solid oak plank top with traditional turned supports and stretcher base, giving it a classic rustic country house appearance. Full of character and age related charm, this piece would work wonderfully in a farmhouse kitchen, hallway, dining room or retail interior. The warm oak colour and simple timeless design make it both practical and highly decorative. A substantial and versatile antique seating piece with wonderful patina throughout. Dimensions approx: H: 43 x W: 244 x D: 40 cm Please study photographs carefully as these form part of the description. Antique and vintage items will show signs of age related wear consistent with use and age.
