ANTIQUE

Price

Sold**Item Reference: SA1215985****Date of manufacture: Edwardian**

Description

A rare antique solid silver sliding stamp case. It is hallmarked with German marks including the 800 silver standard mark. It has been well made having a green stone set catch and internal gilding. It contains two early Queen Elizabeth stamps. It is in super condition being free from chips cracks splits holes and repairs. It measures approx. 2 inches (5.2cm) by almost 1.5 inches and weighs 17 grams. A very nice quality piece.

Internal Ref: 17056
