Description

Very good quality and very decorative Edwardian mahogany and box wood strung inlaid 2 seater sofa with wings, standing on very elegant turned, tapered and inlaid legs. Circa 1900 and in good condition, also it's very comfortable too. The upholstery suits very well and is a good quality champagne damask with plain silk to the sides and rear, you will notice from the images there are some areas of wear to the sides and rear, so these could be reupholstered perhaps. I do also have (at the time of listing) a matching armchair which is listed separately, please get in touch for a combined price for the set...the price shown is for the sofa as you see it. Any queries, don't hesitate to get in touch.
