Price

GBP 295

| USD \$399 | EUR 345

Item Reference: SA1216022

Date of manufacture: 1800

Description

A handsome and substantial antique oak display cabinet dating to circa 1800. This impressive piece features a classic design ideal for both display and storage, making it a versatile addition to any home, study or retail setting. The cabinet has been fully treated for woodworm, offering peace of mind for its next owner. It is a very heavy and solid piece, reflecting the quality and durability of early 19th century craftsmanship. The upper bookcase section sits on a pedestal base and can be removed for easier transport and placement. It comes complete with the original key and the lock is fully working, adding both practicality and authenticity. Dimensions Height 164 cm Width 94 cm Depth 40 cm A wonderful period piece with timeless appeal, perfect for displaying books, antiques or decorative items.
