Description

A beautiful and very well made antique Edwardian mahogany console table. This was made in England, it dates from the 1900-10 period. It is of very fine quality and has a beautiful, elegant design. It is a very useful size, perfect for use as a narrow hall table. The top has a serpentine shaped front with a single drawer which has hidden recessed handles. It stands on very elegant yet sturdy tapered legs. We have had this re-polished, the condition is excellent for its age, with just some minor wear remaining beneath the polish here and there.
