Price

GBP 115

| USD \$156 | EUR 135

Item Reference: SA1216174

Date of manufacture: Georgian

Description

This Antique George III Foot Stool is a charming and authentic piece of furniture from the Georgian era. Crafted with attention to detail, this original footstool stands at 45 cm tall, 42.5 cm long, and 38.5 cm wide, making it a versatile and practical addition to any home. The rich brown colour adds a touch of elegance, while the antique design brings a sense of history and charm to any room. Perfect for adding a unique and traditional touch to your living space. In good antique condition for its age. It has had repairs over the years but the footstool is in solid condition
