Description

This antique 20th-century Edwardian sideboard in oak is a beautifully crafted piece of the finest quality, showcasing elegant period styling and exceptional workmanship throughout. The sideboard features a raised gallery to the top incorporating a striking convex mirror, creating an impressive focal point while adding both character and decorative appeal. Below are two drawers above a single-door cupboard, all retaining their original brass handles and fittings, providing practical storage while maintaining authenticity and timeless charm. Raised on elegant tapered legs, the piece has a refined and graceful appearance typical of quality Edwardian furniture. The oak displays gorgeous natural grain and rich warm colour throughout, further enhancing the beauty and character of this highly desirable example. Very well made and presented in great condition, this outstanding Edwardian sideboard would make a perfect addition to any home, ideal for a dining room, hallway, or living space.
