Description

This is a really high quality 19th century English country house armchair. It has been upholstered recently to a high standard in a grey linen type material (not upholstered by us). It is ready to go into a home and be used as is with no further work required. But we can of course re cover should you prefer. The chair itself is large proportions and extremely comfy. Stood on tall turned mahogany legs complete with original casters. Deep buttoned back and arms giving this a really inviting appeal. The shape of the chairs is very elegant with shaped side rails and subtle scroll detail to the arms and back. Height 92cm Width 77cm Depth 94cm Depth of seat 55cm Height of seat 39cm
