Description

This handsome Georgian fire bucket which was skilfully made from high quality thick leather dates from c1800, has a wonderful aged patina and would make a stunning waste paper bin / basket. This bucket has a studded copper band around the top edge, studs down the side seam and also around the bottom edge, painted green interior and painted red bottom. The leather handle which is nice and sturdy is fitted to the top by the two brass rivets. A good usable Georgian bucket in very nice condition and with a beautiful rich patina so will look great in the home. Dimensions: Diameter at top of opening: 28 cm (11"). Height to top of bucket: 28.5 cm (11 1/4"). Plus handles. Weight: 1.720 kg. Condition: Excellent antique condition with age related wear, scuffs, scrapes, cracks and all over wear leaving a wonderful patina. No holes. Please see pictures. Please note that only the leather bucket is included and any other items in the pictures are for display only.
