Description

Free mainland U.K. delivery Free standard Edison screw bulbs and period-style matching fixing screws Professionally Restored and Rewired ready to install Finding a complete, unbroken set of six period sconces is an absolute rarity in the antique world. It is the ultimate design configuration for injecting historical scale and symmetry into traditional interiors. These wall lights are masterfully cast in heavy brass with an immaculate, vibrant original gold finish with rich patina. Each twin-arm fixture features an asymmetric Louis XV Rococo backplate dripping with beautifully chased foliate scroll and acanthus leaf details. They are identical in design, forming three matching pairs suited for balanced placement They have been fully overhauled, professionally rewired and PAT tested to UK standards ready for installation. They come with complimentary light bulbs and period-style matching aged fixing brass screws. Key Characteristics: • Design & Style: The sconces are crafted in an ornate Louis XV Rococo style, characterized by asymmetric, fluid, and scrolling organic forms. • Material: They are made of gilded heavy brass, showing a rich golden-metallic finish with deeper ...
